A total of 223 players entered the \$500 No-Limit Hold'em event in the 2011 Foxwoods Poker Classic with a total prize pool of \$95,176 on the line. **Sal Mancuso** started the final table with the chip lead and grinded it out to secure the victory. The final table took two and a half hours to reach four players and an agreement which gave \$12,000 each to **Peter Campo** of Waterford, CT, **Charles Davis** of Salem, NH, and **Stanley Berg** of Danvers, MA. Stanley also received the Commemorative Leather Jacket, while Sal captured the Championship Trophy and first Place Prize Money of \$16,538 to take back to Norwalk, CT!

Twenty five players returned at noon on Monday to start attacking the \$95,176 prize pool. Three hours would pass before the final table got underway. A half hour later **Fred Eriquezzo** of Danbury, CT raised all-in with pocket 8's and was called by Stanley with pocket Aces. The board (Js6c5h7s5s) missed Fred relegating him to 10th earning \$1,951 for his efforts. Shortly thereafter, **Charles Sanderson** would move all-in with AdJh. He was called by Sal with AcKc. The flop came out Qd9h3h leaving Charles with little hope, but the Kh on the turn gave him a flush draw with a gut shot. Unfortunately the 4s on the river left him in 9th place, taking \$2,572 back home to West Sussix, GBR. Forty minutes later, **Christopher Baksh** moved all-in with KsJc, and was called by Charles Davis, who had As7s. The 8s6s6h7h5c board left Chris heading back to Queens Village, NY with 8th place money of \$3,046. **Derek Happas** pushed over the top of Sal's raise to 67k, only to have **Mohamed Benzekri** also push. Sal, having both players covered, made the call and turned over pocket Kings. Mohamed showed pocket Queens and Derek had AhQc. The KdQdJc gave Sal and Mohamed sets while Derek picked up a straight draw, but the 4s and 7c to complete the board, left Derek in 7th place with \$3,712 for the Braintree, MA resident. Mohamed took 6th place money of \$4,378 back home to Revere, MA. The final elimination hand had the final tables initial short stack, **James Capone** of Abington, MA raise all-in before the flop with AhQc. He was called by Charles with pocket 6's. The Js10d2h gave James a gut shot to go along with his two over cards. The 6d on the turn left only the straight draw, and with the Ac on the river, James would have to settle for a hard fought 5th place finish and \$5,377.

The final four reached an agreement giving \$12,000 each to **Peter Campo**, **Charles Davis**, and **Stanley Berg**. The Championship Trophy and Top Prize Money of \$16,538 went to **Sal Macuso**, the 2011 Foxwoods Poker Classic \$500 No-Limit Champion.
