Justin Smith and Milton Haughton take \$25,000 each while Milton claims the trophy!

A total of 448 players started play on Thursday vying for a piece of the \$152,095 prize pool. Forty two returned at noon on Friday, and in just over three hours, the final table was determined. The final five agreed to modify the remaining payouts and continued to play. A total of five hours of final table action had passed before the final two agreed to a chop for \$25,000 each, while continuing to play for the trophy. Following forty minutes of heads-up action with both players maintaining comparable chip stacks, Justin Smith of Webster, MA moved all-in over the top of Milton Haughton's 150k bet after the 4hQc10c flop. Milton called with Q's to Justin's 10's. The Q's held-up leaving Justin in 2nd, while Milton Haughton of Jamesport, NY captured the Championship Trophy for his 1st place finish.

Congratulations to all the Winners!
